

Steps to follow if you are a Victim

- Contact the fraud department of one of the 3 major credit bureaus to place a "fraud alert" on all of your reports. The fraud departments work together to make sure fraud alerts are placed on all three bureaus' reports.

The bureaus can be contacted at:

- Equifax, www.equifax.com or 1-800-525-6285
- Experian, www.experian.com or 1-888-397-3742
- Trans Union, www.transunion.com or 1-800-680-7289
- Contact **1-TBANK** 24 hours a day, 7 days a week, to report any suspected fraud on your account.

If you would like further information regarding different types of fraud schemes that are occurring, please go to our website www.efirstbank.com and click on the link labeled "Fraud Prevention".
